DISCLAIMER

All product images, finishes, materials, fixtures, fittings, colours, and selections contained within this Finishes Catalogue are indicative only and subject to availability, supplier stock, manufacturing changes, and project requirements at the time of construction.

Final product selections, upgrade options, colour palettes, and inclusions will be discussed and confirmed with the client during the selections process following execution of the Contract of Sale and prior to production commencement.

Colours displayed within this catalogue and online may vary due to printing, screen resolution, lighting conditions, and material finishes.

Some finishes, fixtures, colours, and upgrade options may incur additional costs. Custom selections may extend production and delivery timeframes.

All designs, specifications, and inclusions are subject to final engineering, compliance requirements, and Systems Australia approval.
